Executive Summary

Al Qasim Bagh is an award-winning agricultural enterprise established in 2012. Spread across 450 acres, the farm is a model of modern horticulture featuring complete drip irrigation, premium date palm cultivation, citrus orchards, olives, moringa, sidr (ber), and seasonal fruits. The enterprise is committed to sustainable farming, quality production and future export development.

Corporate Information

Legal Name: Al Qasim Bagh
Primary Sector: Commercial Agriculture & Horticulture
Annual Turnover: PKR 50 Million+
Target Markets: Pakistan with future international expansion.

Flagship Date Palm Orchard

The 120-acre orchard contains over 12,000 fruit-bearing palms and continues to expand. Premium varieties include Medjool, Amber, Barhi, Zaghlool, Saghai, Sukri, Deglet Noor, Dhakki, Nawadar, Gulistan, Khalass, Sheeshi, Otakan, Sultana, Bermuda, Kashuwari, Khanizi, Aseel, Karbalain and Umul-Dehan. Several exotic varieties were introduced in Pakistan through Al Qasim Bagh.

Diversified Agriculture

Alongside dates, the farm cultivates citrus, olives, moringa, sidr and other seasonal fruits, ensuring year-round production and diversified revenue.

Recognition

In 2025, Al Qasim Bagh received the 2nd Khalifa International Award for Date Palm and Agricultural Innovation in the category of Best Date Palm Orchard/Farm in Pakistan, recognizing excellence in quality, innovation and sustainable agriculture.

Vision & Mission

Our vision is to position Dera Ghazi Khan as a globally recognized hub for premium horticulture. Our mission is to produce premium, residue-free fruits using scientific farming while expanding into international markets.

Corporate Social Responsibility

Al Qasim Bagh generates employment, transfers modern farming knowledge to local growers, promotes water-efficient irrigation and contributes to the socio-economic development of Southern Punjab.
